

SOÑAR DESPIERTO A.C. **February 2019**

The agreement allows for active participation in the events that each association carries out in addition to working together on promotional and marketing initiatives in order to expand and promote the programs of each group. The association, made up of young volunteers, seeks to transform the lives of children in vulnerable situations, transmitting universal values through its ongoing programs and massive events, such as the celebration of Children's Day and the year-end Macroposada.
